

**REMARKS**

Entry of the above amendment to paragraph [0057] is requested since it merely addresses a typographical error in the originally filed specification. The amendment to the specification does not affect the patentability of the allowed claims and therefore there is no need to withdraw the Notice of Allowance dated June 8, 2004. This 312 Amendment is being filed prior to the payment of the issue fee.

Wherefore, consideration and entry of the above amendment are respectfully requested.

Respectfully submitted,
